Dear Garrett:

I want to take the time to let you know what an excellent job you did for my home heating boiler system conversion last week. Your staff also did an excellent installation of the boiler and plumbing, and I know that is due to your extraordinary leadership in your company and on this project.

I know that you put in a lot of hours during the research into a new system, the installation, inspection and testing. As a token of my appreciation, please accept my painting as a gift of thanks for a job well done.

With Deep Appreciation,
